

GCNEP at Nuclear Industry Summit 2016 Expo

31st March & 1st April 2016
Washington, D.C., USA

The Nuclear Energy Institute (NEI) organized the **2016 Nuclear Industry Summit (NIS2016) Expo** on the margins of **Nuclear Security Summit 2016** at Walter E. Washington Convention Center, Washington DC, United States of America during March 31st and April 1st 2016. The **NIS2016 Expo** provided a unique opportunity for companies, institutes and countries to showcase their contributions to nuclear security. World leaders from more than 50 countries and four international organizations focused on preventing nuclear terrorism throughout the globe.

Global Centre for Nuclear Energy Partnership (GCNEP) along with the industry partner **Electronics Corporation of India Limited (ECIL)** setup a pavilion at the **NIS 2016 Expo** showcasing India's efforts towards Global Nuclear Security through a display of programs, technologies and products in the areas of nuclear security, radiological safety, advanced nuclear energy systems and safeguards. DAE was represented by Mr. L R Jangra, Head, Coordination Division, GCNEP and Mr. Anurag Kumar, GM, ECIL. Dr S. Basu, Chairman **Atomic Energy Commission (AEC)** and Secretary **Department of Atomic Energy (DAE) India** visited the pavilion on 31.03.2016.

A few snapshots from GCNEP pavilion at NIS 2016 Expo

Many delegates and industry representatives visited the pavilion and showed keen interest in the activities of GCNEP and ECIL.
